Research Committee A

Professor Nick Hartell (Chair) - University of Leicester

Professor Melissa Bateson - Newcastle University

Core members

Professor Gary Entrican - Moredun Research Institute

Dr Jonathan Johnston - University of Surrey

Professor Richard Baines - University of Manchester

Dr Graham Burdge - University of Southampton

Professor Daniel Osorio - University of Sussex

Professor Susan Brain - King's College London

Professor Paul O'Higgins - University of York

Professor David Smith - University of Glasgow

Dr Graham Cook - University of Leeds

Pool members

Professor Kimron Shapiro - Bangor University

Professor Tom Wileman - University of East Anglia

Professor Dominic Wells - Royal Veterinary College & Imperial College

Dr Stephen Goodwin - University of Oxford

Dr Alex Easton - University of Durham

Dr Anthony Flemming – Syngenta

Dr Alison Sinclair - University of Sussex

Dr Paul Wigley - University of Liverpool

Research Committee B

Professor R Bardgett (Chair) – Lancaster University

Professor C Penn (Deputy Chair) - University of Birmingham

Core members

Dr John Armstrong - University of Sussex

Professor James Brown - John Innes Centre

Professor Julie Gray - University of Sheffield

Dr Julian Hibberd - University of Cambridge

Professor Eric Holub - University of Warwick

Professor Davey Jones - Bangor University

Professor Julian Ketley - University of Leicester

Professor Michael Shaw - University of Reading

Dr Marjan Van der Woude - University of York

Pool members

Professor Mike Blatt - University of Glasgow

Dr Jeremy Derrick - The University of Manchester

Dr John Gatehouse - Durham University

Professor Peter Hedden - Rothamsted Research

Dr Giles Johnson - The Unviersity of Manchester

Professor Jane Langdale - University of Oxford

Professor Liz Sockett - University of Nottingham

Research Committee C

Professor S Hubbard (Chair) - The University of Manchester

Professor Julian Burke (Deputy Chair) – Genetix Ltd

Core members

Professor Jurg Bahler - University College London

Dr Sarah Cartmell - The University of Manchester

Dr Paula Kover - Bath University

Dr Mike Hann – GlaxoSmithKline

Professor Edward Louis - University of Nottingham

Dr Andrea Munsterberg - University of East Anglia

Professor Neil Thomas - University of Nottingham

Professor Jennifer Southgate - University of York

Pool members

Dr David Elliott - Newcastle University

Professor Berthold Gottgens - University of Cambridge

Dr Andrew Harrison - University of Essex

Dr John Hunt - University of Liverpool

Dr Rosalind John - Cardiff University

Dr Gavin Kelsey - Babraham Institute

Dr Susan Rosser - University of Southampton

Dr Sari Pennings - University of Edinburgh

Professor Stefan Przyborski - Durham University/Reinnervate Ltd

Dr Robert Sablowski - John Innes Centre

Professor Paul Townsend - University of Southampton

Research Committee D

Professor C Schofield (Chair) – University of Oxford

Professor S Morley (Deputy Chair) – University of Sussex

Core members

Dr Boyan Bonev – University of Nottingham

Professor Gregory Challis – University of Warwick

Professor Paul Clarke – University of Dundee

Dr Paul Dalby – University College London

Professor Shireen-Anne Davies – University of Glasgow

Dr Julia Hubbard – GlaxoSmithKine R&D Ltd

Professor Nicolas Le Brun – University of East Anglia

Dr Klaus Okkenhaug – Babraham Institute

Professor Richard Pickersgill – Queen Mary University of London

Dr Jennifer Potts – University of York

Professor Craig Robson – Newcastle University

Professor Jeremy Turnbull – University of Liverpool

Dr Andrew Turnell – University of Birmingham

Pool members

Professor Arthur Butt – University of Portsmouth

Dr Bernadette Byrne – Imperial College London

Dr Diane Hangar – Kings College London

Professor Julian Hiscox – University of Liverpool

Dr Raymond Owens – University of Oxford

Dr Daniela Riccardi – Cardiff University

Professor Ian Stansfield – University of Aberdeen

Professor David Stephens – University of Bristol

Professor Michael White – University of Manchester
